

Working Paper 1172 “Endogenous entry and self-selection in private value auctions: An experimental study” has been published in the *Journal of Economic Behavior and Organization*, V. 66, Issue 3-4, (June 2008): 731-747.

If you are unable to obtain the published version on the web or library contact the Working Paper Coordinator (sswp@hss.caltech.edu) and we will send you a copy.

If you need the original working paper please e-mail the Working Paper Coordinator to request a copy. We do not have all of the original working papers but will do our best to find a copy. It will most likely be in paper format. If so please include your mailing address.
