

Working Paper 155 “An experimental analysis of decision making procedures for discrete public goods: A case study of a problem in institutional design” has been published in *Experimental Economics* V. 1, (1979), pgs. 1-58.

If you need the original working paper please e-mail the Working Paper Coordinator (sswp@hss.caltech.edu) to request a copy. If you are unable to obtain the published version on the web or library contact the Working Paper Coordinator and we will send you a copy.

We do not have all of the original working papers but will do our best to find a copy. It will most likely be in paper format. If so please include your mailing address.
