

Working Paper 168 “Representations of binary decision rules by generalized decisiveness structures” has been published in *Journal of Economic Theory*, V. 21 (August 1979) pp. 28-44.

If you are unable to obtain the published version on the web or library contact the Working Paper Coordinator ([sswp@hss.caltech.edu](mailto:sswp@hss.caltech.edu)) and we will send you a copy.

If you need the original working paper please e-mail the Working Paper Coordinator to request a copy. We do not have all of the original working papers but will do our best to find a copy. It will most likely be in paper format. If so please include your mailing address.
