

Working Paper 249 “The methodology of cost benefit analysis – with particular reference to the ozone problem” has been published in *The economics of managing chlorofluorocarbons: Stratospheric ozone and climate issues*, ed. By J. H. Cumberland , J. R. Hibbs, & I. Hoch. Pgs. 114-156. Resources for the Future/Washington, D.C.

If you are unable to obtain the published version on the web or library contact the Working Paper Coordinator ([sswp@hss.caltech.edu](mailto:sswp@hss.caltech.edu)) and we will send you a copy.

If you need the original working paper please e-mail the Working Paper Coordinator to request a copy. We do not have all of the original working papers but will do our best to find a copy. It will most likely be in paper format. If so please include your mailing address.
