

Working Paper 339 “A formal model of government sponsored research (with applications to solar power systems)” has been published in the *Bell Journal of Economics*. V. 12, (1982):107-119.

If you are unable to obtain the published version on the web or library contact the Working Paper Coordinator (sswp@hss.caltech.edu) and we will send you a copy.

If you need the original working paper please e-mail the Working Paper Coordinator to request a copy. We do not have all of the original working papers but will do our best to find a copy. It will most likely be in paper format. If so please include your mailing address.
