

Working Paper 939 “Why did incumbency advantage in the US House elections grow?” has been published in *American Journal of Political Science*, V. 40(2), (1996):478-497.

If you are unable to obtain the published version on the web or library contact the Working Paper Coordinator (sswp@hss.caltech.edu) and we will send you a copy.

If you need the original working paper please e-mail the Working Paper Coordinator to request a copy. We do not have all of the original working papers but will do our best to find a copy. It will most likely be in paper format. If so please include your mailing address.
