

Working Paper 955 “A statistical theory of equilibrium in games” has been published in *The Japanese Economic Review*. 47(2) June 1996, pp 186-209.

If you are unable to obtain the published version on the web or library contact the Working Paper Coordinator ([sswp@hss.caltech.edu](mailto:sswp@hss.caltech.edu)) and we will send you a copy.

If you need the original working paper please e-mail the Working Paper Coordinator to request a copy. We do not have all of the original working papers but will do our best to find a copy. It will most likely be in paper format. If so please include your mailing address.
